DON JUAN

(Puts down the two olive martinis and bar pretzels and forcefully signs his receipt. Again he picks up the martinis and pretzels and spills. He looks up at Juliet and sees Venus walking up to her with two olive martinis in shock)

JULIET

(Smiling, she takes one of the martinis out of Venus's hands and combs her hair with her fingertips in the other)

VENUS

(Smiles and plays with Juliet's hair)

DON JUAN

(Not believing what he is seeing, Don takes a seat back at the bar with the two olive martinis and pretzels. He grabs one of the martinis and chugs the entire glass. Then rests his head on his fist and lets out a huge sigh)
